

Pitney Bowes® W650 Refurbished!

The W650 is our entry level workhorse!

- This Refurbished Pitney Bowes ® W650 is our entry-level envelope printer that offers the occasional, small volume mailer the opportunity to quickly, easily, and professionally print addresses at up to 2,500 envelopes per hour.
- Graphic images and barcodes can be printed anywhere on the mail piece at print qualities of 150, 200 or 300 dpi.
- The Pitney Bowes ® W650 has three internal type faces, which are scalable from 8 to 30 points and can be combined with the internal attributes of bold, italic, outline and variable-width.
- These combine to create 2,760 different fonts for each character!
- The Pitney Bowes ® W650 is a PCL5 graphics printer that can interface with any PC, mini, or mainframe.
